NOTE: In view of representation received from number of members seeking extension of last date of nomination due to present holidays and also about non-availability of electronic mail facility to number of members. It is in my opinion necessary to extend the date of filing of nomination in order to facilitate filing nomination by post/ by hand also. Considering that this

extension is necessary in the larger interest of the association, the duration for filing of nomination is extended till 12th April, 2016.

Those who have already submitted their nomination by electronic mail need not submit fresh nomination papers.

Returning Officer, NPSWI
