NAPSWI ELECTION 2024

Dear NAPSWI Life Members & Voters

Greetings!

The process of sending e-ballot papers is going on. **I have been able to dispatch more around 1581 (one thousand five hundred eighty one) e-ballot papers or links to your registered email IDs.** This includes around **119 (one hundred nineteen)** that bounced back or could not be delivered due to various reasons like: *(the above figures are dynamic and are subject to change depending on final delivery status of the mails – since the message says – “Gmail will retry for 47 more hours. You'll be notified if the delivery fails permanently.”)*

1. Your message to has been blocked
2. message could not be delivered
3. temporary problem delivering your message. Gmail will retry for 47 more hours. **You'll be notified if the delivery fails permanently.**
4. address couldn't be found, or is unable to receive mail
5. because the domain couldn't be found
6. Check for typos or unnecessary spaces and try again. *(some have been checked and mail has been sent again)*
7. Requested mail action aborted; mailbox not found.
8. Sorry, your message to cannot be delivered.
9. This mailbox is disabled

Many of you must have received the ballot paper. At the same time, I am receiving messages that some of you have not received the ballot paper. Those who have not received any e-ballot paper yet are requested to use the below link for casting their vote but through the registered email ID only:

<https://forms.gle/y9Dg3SEChLSxkFw6>

Please remember, if it will not be sent by you through your registered email, it will be declared invalid or rejected. I want to assure you that only those ballot papers will be counted which match your NAPSWI registered email. Your Aadhaar Card/number will help as unique Identity number I case of any discrepancy. This google form or e-ballot paper has double security layers.

I would urge you all to kindly cast your vote at the earliest possible.

Best wishes,

Prof. Asutosh Pradhan
