NAPSWI ELECTION 2024

Dear NAPSWI Life Members & Voters,

Greetings from the Office of the Returning Officer, NAPSWI Elections 2024!

This is to inform you that the dispatch of ballot papers or voting links for various positions is in progress. Each registered and valid voter will receive the ballot paper or voting link through their registered email address.

As per the election schedule duly notified on the NAPSWI website, all members were expected to receive the election voting ballot paper since 13th October 2024. However, due to the technical glitch mentioned earlier—such as challenges in sending bulk emails and many addresses bouncing back—communication could not be sent to all members on time. We have now resolved the issue, and I am in the process of sending the necessary details to all of you.

Despite the delays, I assure you that every eligible voter will receive their credentials within the stipulated voting period. We are actively working to expedite the process to prevent further inconvenience.

By virtue of the responsibility entrusted to me by the Executive Committee as the Returning Officer, I assure all members that the election process will be conducted with the utmost **fairness, transparency, and confidentiality**. I strongly urge each member to exercise their right to vote as per the official notification.

Thank you for your patience, understanding, and cooperation throughout this process.

Further, I appeal the candidates and members not to create panic and disturb the election process by spreading misinformation.

Best wishes,

Asutosh Pradhan
Returning Officer
